To Whom It May Concern

Allan Mackenzie

It is my pleasure to write a letter of reference for Mr. Allan Mackenzie and recommend him for a teaching position. I am myself an English teacher with fifteen year experience of teaching for a number of language schools and educational institutions, now working closely with Akademie J.A. Komenského, o.s., Malinovského nám. 4, Brno.

Mr. Mackenzie has been my English tutor for last few months helping me to refine my spoken and written English. His excellent communication skills, command over the subject and his ability to address the needs of a student make him an outstanding professional in the field of teaching. I regard highly his positive and friendly attitude and his enthusiasm for sharing his knowledge with his students.

I have no reservations in thoroughly recommending Mr. Mackenzie. I am sure he will be an invaluable asset to any educational organization. I would be pleased to give further information if required.

Yours Faithfully

Mgr. Lenka Miczková
